

Inauguration: Carmel Convent, Bugembe, Jinja, Uganda

In the year 2020 we were invited by His Grace Charles Martin Wamikahe Bishop of Catholic diocese of Jinja, to take up the school which was under the Holy Cross Fathers in Bugembe Parish Jinja. and started our mission on 21st November 2020. The Pioneering Sisters Winifreda A.C. Melania Makena Mwangi A.C. and Annunciata Eunice Wambua A.C. residing at the temporary house belonging to Holy Cross Fathers administrated the school which is ten kilometers away from the house. It was a mixed, day and boarding school, and our sisters unmindful of the hardships and risks, even learnt driving to reach the pupils on time. Filled with zeal and enthusiasm our Sisters could make a difference in the life of the people by their joyful presence.

Having expressed the need to look after the resident students, we were given a small portion of land by the Bishop in the same premises to build our convent. We experienced the providence of God and His guidance to complete the building construction with the necessary facilities to establish a community. On 14th January 2023 at the end of the Eucharist, Sister Maria Deepthi the Regional Superior of the East Africa Region officially declared open the newly built Convent and it was blessed by the Vicar of the Religious in Jinja Diocese Rev. Fr. JB and other priests.

By the grace of God, Sr. Winifreda A.C the Sister in Charge, Ann Karende Kaburu A.C. the deputy and Sister Lydia Nyang'ara Nyarandi A.C. are continuing their mission. May the good Lord be their protector and guide, as they serve in His vineyard to proclaim His mercy and love.
