

Tertians at Carmelaram

Since the Tertians' 2023 batch has only 10 sisters, instead of the theology course at Maryhill, this year they were sent to Carmelaram AVP where they were given a good grounding in preparation for final vows. They were 26 from different congregations. It was a good learning from one another and an enriching experience for all of them.

At the completion of the course the provinces will send them for an exposure outside the AC communities. One from Karnataka and one from Southern province will join Eastern Province for the exposure program.

Certificates

Successful Completion of Course at Adhyatma Vidya Peetham (AVP), Carmelaram
